What to Bring

Waterloo, ON

General Attire: September in Waterloo is usually quite hot and sunny, however it can rain occasionally so plan to dress for these temperatures. Be sure to bring a pair of comfortable shoes for walking.

Semi-formal wear: There will be a semi formal dance on Saturday night.

Spirit wear: Bring your school and provincial spirit wear.

Sunscreen and sunglasses: Remember to pack these for our outdoor activities.

Small gift: We suggest that you bring a small gift for your billet family. Something from your region of Canada or hometown would be a good idea.

Money: Although there will be limited opportunity to purchase spirit wear at the conference (order online before coming!), there will be times where you can purchase small items during the events when we are in the community

Just so you know... You will be receiving a back pack and a water bottle at registration along with many other fun items. You will be provided with bedding and towels at your billet home.

Spirit: Get ready for loads of cheers and fun!
